Association for Tertiary Education Management Inc

About us

The Association for Tertiary Education Management Inc (ATEM Inc) was established in 1976, and is the pre-eminent professional association for tertiary education administrators and managers in Australasia, with six regions in Australia and one in New Zealand.

ATEM draws its members from across the academic environment, including universities, TAFE, polytechnics, wānanga, private providers, government departments and related organisations.

ATEM Members are committed to the pursuit of excellence in professional practice and institutional management in the tertiary education sector.

Benefits

Joining ATEM will provide you with many opportunities to enhance your career and professional development. These include:

- networking with Australasia's leading tertiary administrators and managers at ATEM functions
- access to preferential rates for ATEM professional development programs, conferences and special events
- attending the Annual TEM Conference which rotates around Australia and New Zealand
- becoming a member of your local Regional Committee
- receiving copies of the internationally refereed Journal of Higher Education Policy and Management, published by ATEM and the L. H. Martin Institute, and sent to members four times a year
- access to forums on the ATEM website
- topical and relevant information provided through our association newsletter ATEM Matters, sent to members four times a year
- access to staff exchanges, study scholarships and travel grants
- weekly updates on ATEM events and news

Tertiary education administration and management is a specialised and developing profession within academic institutions, requiring a commitment to lifelong learning and continuous professional development, and to the highest standards of professional practice.

Become a member

To become a member, you will need to complete a **Membership Application** which is available in hard copy from your local **Regional Committee** or online via our website. **Membership is available to both individuals and organisations.**

There are several levels of membership, including:

1. Student Member (ATEMM)
2. Member (ATEMM)
3. Associate Fellow (ATEMAF)
4. Fellow (ATEMF)

Membership at the two levels of Fellow and Associate Fellow is achieved through demonstrated continuous professional education and training.
